

## **Wishing**

Have you ever made a wish? I make them all the time. I watch for the first star each night... "Star light star bright, first star I see tonight... I wish I may, I wish I might, have the wish I wish tonight..." I always make the same wish, but I can't tell what it is. Then it might not come true. I really want it to. It would change my life. (Wishing by D. M. Larson)

## **Wishing 2**

Have you ever wanted anything that badly in your life? So badly that you can't imagine your future without it? I would be so sad if my life wasn't different... If things didn't change... If I was still stuck here... In this life. But I won't stop wishing... I can't... I don't want to be left with nothing... zero... give me some meaning... and make this suffering worthwhile. (Wishing by D. M. Larson)

## **Kid Hero**

I've always dreamed of being a hero. I've tried everything to become super. I let a spider bite me... no spider powers; just lots of itching. I tried standing too close to the microwave oven hoping the radiation would change me. Nothing. And I got in trouble for making so many bags of popcorn. But I took it all to school and had a popcorn party. I was a hero that day. So I guess it kinda worked. (Kid Hero by D. M. Larson)

## **Bones the Pirate Girl**

I am sick of being at sea. I want to feel solid ground. Oh... To take a nice warm bath... Instead of washing in freezing cold sea water. You see what the sea has done to my hair! (Bones the Pirate Girl by D. M. Larson)

## **Bones the Pirate Girl 2**

You'll never find ice cream on a pirate ship. I'd give anything for a scoop. But you'll never find anything like that on this rust bucket... no milk, no ice cream, not even an itty bitty ice cube... How come the most wonderful things in life spoil so quickly? (Bones the Pirate Girl by D. M. Larson)

## **Staying Power**

With the stars in the sky, I know they'll be there night after night, always there for me to make a wish. What do I wish for? (Staying Power, by D. M. Larson)

## **Dreaming of Dragons**

What do you dream about? I dream about dragons. All the time. I know they're not real but I want them to be. Sure, most girls dream of unicorns but I... I love dragons... And fire. (Dreaming of Dragons, by D. M. Larson)

## **Growing up is Hard to Do**

I feel so strange tonight, waking up in the full moon's light. Something had changed. I am not the same. I'm getting really hairy. More hairy than I thought a boy could be. This is rather scary and ...and....my voice is changing toooooo. (Growing up is Hard to Do, D. M. Larson)

### **Catchick**

I am tired of my catlike mutant powers. You know how annoying it is to be like a cat? Look. I want to be able to go the beach without getting the urge to use the bathroom. I want to go swimming again. I am tired of all those naps. Please doctor. Take me next. (Starts coking on something.) And I'm tired of all the hairballs! You can have my powers. Please take them from me. I want to be normal. (Catchick, by D. M. Larson)

### **Good Deeds and Such**

All right, you witches. We've got ourselves a PR problem here. Witches have got a seriously bad reputation here in Fairy Tale Land and it's only getting worse since the Hansel and Gretel incident. I mean, come on people. Eating children. That's just low. (Good Deeds and Such, by D. M. Larson)

### **The Big Bad Wolf**

(WOLF) I know exactly what you mean. People misconwhattionize me all the time. Man, you accidentally knock down some pig's house with a sneeze and they start telling stories about you. And now there's this little girl and her red hood. Who knows what they'll say about this one. (The Big Bad Wolf, by D. M. Larson)

### **Little Pirate**

Hi, I'm Peggy. Peggy the... Well, I don't have a true pirate name yet. Well, some of them call me... Peggy the Pint Sized Pirate. But I'm tired of it. I won't stand for it anymore. (Hears someone and put hands on hips) Yes, I'm standing! (Little Pirate, by D. M. Larson)

### **Bug-eyed Creature**

Being the new kid at school is like discovering a new planet. Everything is strange and confusing and you're the weird alien everyone is afraid of - well not fear - you are the gross bugged eyed creature that's completely misunderstood. (speaks like an alien to someone passing) "I come in peace." Ignored as usual. Maybe I have on my cloaking device? No one seems to see me. (Bug-eyed Creature by D. M. Larson)

### **Carry a Stuffy**

I like to cuddle and hug. I love stuffed animals. See. I have a new one. What should I name him? I think I will name him Mr. Cuddles. (Carry a Stuffy, by D. M. Larson)

### **YAR! (Talk Like a Pirate Day)**

Avast there matey. It be Talk like a Pirate Day. Hand over those donuts. Donuts are always free on Talk like a Pirate Day. I be looking for the perfect donut. It has to be the perfect length... twice as big as me mouth. (YAR! (Talk Like a Pirate Day), by D. M. Larson)
