🎵 SONG: "You Can't Stop The Beat" - **The Beats**

Solo:

You can't stop an avalanche As it races down the hill

Solo:

You can try to stop the seasons, girl But you know you never will

Solo:

And you can try to stop my dancin' feet But I just cannot stand still

Solo:

'Cause the world keeps spinning 'Round and 'round

And my heart's keeping time To the speed of sound

I was lost 'til I heard the drums Then I found my way 'Cause you can't stop the beat

All:

Ever since this whole world began

Solo:

A woman found out if she shook it

She could shake up a man

And so I'm gonna shake and shimmy it The best that I can today 'Cause you cant stop the

All:

motion of the ocean

Or the sun in the sky You can

wonder if you wanna, but I never

ask why And if you try to hold me

down I'm gonna spit in your eye

and say That you can't stop the

beat!

Solo:

You can't stop the river as it rushes to the sea

Solo:

You can try to stop the hands of time, but you know it just can't be!

Solo:

And if they try to stop us, Baby, I've got the N double A.C.P.

All:

'Cause the world keeps spinnin' round and round And my heart's keepin' time to the speed of sound

I was lost 'til I heard the drums, then I found my way 'Cause you can't stop the beat!

Ever

since we first

saw the light

A man and woman like to shake it on a Saturday night

So I'm gonna shake and shimmy it with all of my might today

CUT

'Cause you can't stop the motion of the ocean or the rain from above You can try to stop the paradise we're dreamin' of But you cannot stop the rhythm of two hearts in love to stay! 'Cause you can't stop the beat!

You can't stop the beat You can't stop the beat You can't stop the beat You can't stop the beat

Kiddo 1: That Zimon guy is really mean.

Kiddo 2: Super mean!

Kiddo 4: Yeah... I mean we aren't too small..

Kiddo 3: We're big kids!

Kiddo 5: With big talent.

Izzy: So... did Annie get the part?

Izzy: she's trying to steal my show!

Finn: It's not your show.

Izzy: What did you just say?

Director: Finn! Can I speak with you a moment?

Finn: (leaving) Everyone here is talented Izzy.

Bailey: (to Faith) Oh my goodness you are amazing!

Faith: Thanks! I've been wanting to do that for a LONG time.

Auditioner 3: Hey guys let's go get some frozen yogurt or something while we wait for results.

Auditioner 4: Yeah, even for theater, there's too much drama going on in here.

(Everyone leaves stage. Director comes back on to post the cast. After he leaves Izzy comes on to see before anyone else comes.)

Annie: Izzy, it's not nice...

Izzy: Don't you have something else to do?

Annie leaves stage looking upset. Izzy finishes changing the cast list, looks around to make sure no one was watching, and leaves.

(Kiddo runs onto stage and sees the list).

Kiddo __: Hey everybody! Casting is up!

We see a big commotion as everyone comes to see the results. Most kids leave looking dissatisfied.

Faith: I can't believe we didn't make it!

Bailey: I know, I was hoping we would get something.

Faith: Something!? You should have been a lead.

Bailey: You really think so?

Faith: I know so.

(We see Izzy eavesdropping and Finn arrives to see the casting results)

Bailey: Well, I will just keep rehearsing and trying my best. Hopefully I can improve enough to get a part one day.

Izzy: Bailey, I think it's best if you accept who you are and what you can really do. You will never be good enough to get a role.

Faith: What did you just say?

(Faith looks like she's going to start a fight. Bailey stops her.)

Bailey: Come on Faith... let's just go!

(Faith and Bailey exit. Izzy is laughing but turns around to see an upset Finn)

Finn: Izzy what the heck is your problem?

Izzy: What are you talking about?

(We see the director walk in)

Finn: Why do you think you own this place?

Director: (to audience) Ooooo. Burn....

Izzy gives him/her a dirty look and he/she immediately looks uncomfortable.

Izzy: (murmuring) Finn stop it... You're embarrassing me.

Finn: You should be embarrassed! I'm out! *(Finn begins to leave.)*

Izzy: *(stops him)* What are you talking about? We are the leads! We can't just leave...

Finn: There are plenty of other talented guys here. It doesn't have to be me. I don't want to stay if this is how it's going to play out.

Izzy: Think this through Finn. Do you really want to lose this? *(makes a Posse)*

Finn: Yep

Finn leaves and Izzy stomps off with her posse. Director looks up toward the catwalk.

Director: Heaven help us.

Faith: Come on Bailey... you can't let one audition get you down.

Bailey: Okay, but if we do find somewhere else, how do we know that we won't have the same problems?

Faith: We don't... We just have to keep trying.

Kiddo 7: That completely stunk!

Faith: Oh no... You guys didn't get casted either?

Kiddo 1: None of us.

A vision of the one I see

A million dreams is all it's gonna take A million dreams for the world we're gonna make

There's a house we can build

Every

room inside is filled With

things from far away

Finn:

The special things I compile

Each one there to make you smile On a rainy day

All:

They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy
Runaway to a world that we design

ALL:

Every night I lie in bed
The brightest
colors fill my head A million dreams are keeping me
awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take A million dreams for the world we're gonna
make

Bailey: Sophya S.

However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong But say that you'll bring me along
To the world you see
To the world I close my eyes to see

Finn & Bailey:

I close my eyes to see

All:

Every night I lie in bed
The brightest colors fill my head A
million dreams are keeping me awake
A million dreams, a million dreams

I think of what the world could be

A vision of the one I see

A million dreams is all it's gonna take A million dreams for the world we're gonna
make

For the world we're gonna make

Finn:

Let's get down to business, to put on... A show. It will be on Broadway... we are sure to go. You're the bravest bunch I've ever met And you can bet before we're through. Mister, I'll make a star out of you

Trio:

*Tranquil as a forest but on fire within
Huh
Once you find your center, we are sure to win*

Finn:

You're a gifted, and, talented lot And you know what we must do. Somehow I'll make a star out of you

Solo 1:

I'm never gonna catch my breath Say goodbye to those who knew me

Solo 2: Boy, was I a fool in school for cutting gym

Solo 3:

Im a little bit scared to death I hope that will applaud me...

Solo 4:

Now I really wish that I knew how to spin.

All:

Be a star

We must be swift as the coursing

river Be a star

With all the force of a great typhoon

Be a star

With all the strength of a raging fire Mysterious as the dark side of the moon

Time is racing toward us till op-ning day arrives.

Heed my every order and you might survive What you're singing for..

Comes from your core..

So pack up, lets go on through

Because I'll make a star out of you-

Be a star We must be swift as the coursing river Be a star

With all the force of a great typhoon

Be a star

With all the strength of a raging fire Mysterious as the dark side of the moon

Be a star

We must be swift as the coursing

river

Be a star

With all the force of a great typhoon

Be a star

With all the strength of a raging fire Mysterious as the dark side of the moon

SONG: "This Is Me" - **All Camp**

Bailey

I am not a stranger to the dark. Hide away, they say, 'cause we don't want your broken parts.

Bailey & Faith

I've learned to be ashamed of all my scars. Run away, they say, no one'll love you as you are.

Bailey & Faith and Natalie S. , Remington W. , Addison T. , & Abrielle

But I won't let them break me down to dust. I know that there's a place for us, for we are glorious.

All

When the sharpest words wanna cut me down,

I'm gonna send a flood gonna drown 'em out.

I am brave. I am bruised. I am who I'm meant to be.

THIS IS ME!

Look out 'cause here I come.

And I'm marching on to the beat I drum.

I'm not scared to be seen. I make no apologies.

THIS IS ME!

Part 1 Oh_____ Oh_____ Oh___ Oh___ Oh!
Oh!

Part 2 Oh_____ Oh_____ Oh___ Oh Oh!
Oh!

Bailey & Faith

Another round of bullets hit my skin. Well, fire away, cause today I won't let the shame sink in.

ALL

We are burstin' through the barricades. And reaching for the sun. We are warriors and that's what we've become.

I won't let them break me down to dust. I know that there's a place for us, for we are glorious.

When the sharpest words wanna cut me down,

I'm gonna send a flood, gonna drown 'em out.

I am brave. I am bruised. I am who I'm meant to be.

THIS IS ME!

Finn (mic on) with All:

Look out 'cause here I come.

And I'm marchin' on to the beat I drum.

I'm not scared to be seen.

I make no apologies.
